

To Massachusetts Agricultural Commissions:

The Massachusetts Association of Agricultural Commissions, Inc. (MAAC) was organized in 2010 to support local AgComs. With your input MAAC will strive to provide you with the necessary services and education to bolster and advance your work at the local level. All MA AgComs may become members of MAAC. There are currently NO membership dues. Please take the time to discuss MAAC membership at your next meeting and vote on whether you choose to be a member. We look forward to your response.
